

About Flowrox OY, Finland

- Over 30 years of experience with >100,000 deliveries
- Leader in Pumps and Valves for abrasive, corrosive applications
- Facilitating performance by improved process reliability & efficiency, increased productivity

Product Range

FLOWROX

Pinch Valve

Process Benefits: Zero leakage (100% tight), Extreme wear & corrosion resistance, No Jamming or clogging, Self-cleaning, Full bore design, Long service intervals

Specifications: **Size:** 1" to 40"; **Temp:** -40°C to 150°C, **Pressure:** Vacuum to >100 bar, **Controls:** Manual/actuated, Vast range of material (body/sleeve); Flange drilling as required

Hose Pump

Process Benefits: Zero leakage (No seal), No wear/ corrosion attack, Rolling design, Higher flow with smaller pump, Gentle pumping, self-priming, Dry run capability, Accurate flow metering

Specifications: **Size:** 1" to 4"; **Temp:** -Upto 100°C, **Pressure:** Upto 16 bar, Vast range of material (body/Hose)

FLOWROX

About Viking Pump Inc. USA (A Unit of IDEX Corp.)

- Originator of Internal Gear Pump
- Founded in 1911, 100 years of experience
- #1 Leader in Internal Gear Pump
- 6,000,000+ configurations to customize for your application
- Integrated manufacturing from casting to machining to assembly

Product Range

**VIKING
PUMP**

Featured Products

Universal Seal Pumps

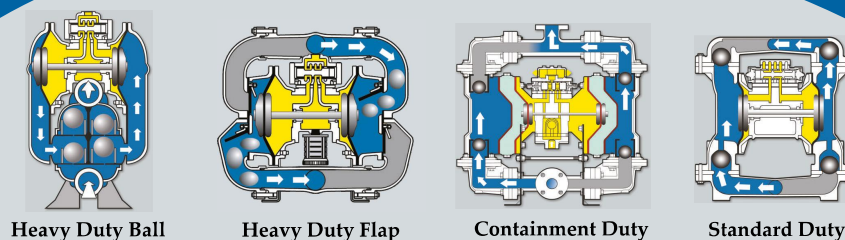

- Material:** Cast iron, Ductile Iron, Steel, Stainless Steel, Alloy C, Alloy 20, Hard Materials
- Sealing:** Packing, Component / Cartridge mechanical seal, Cartridge triple seal, Magnetic Drive
- Ports:** Opposite (90°), Right Angle, NPT/BSP, Flanged (ANSI/DIN), Custom
- Capacity:** 1 to 365 m³/hr, Pressure: To 14 Bar, Viscosity: 0.1 to 1,000,000 cst, Temp: -84 to 427°C

About SandPiper-Warren Rupp Inc. USA (A Unit of IDEX Corp.)

- Innovations in AODD with 50 years of experience
- The first bolted pump
- Engineered pumping solutions with more ways than one
- ESAD+ allowing servicing both main and pilot air valve without pump dismantling
- AirVantage pumps reducing air consumption upto 50%

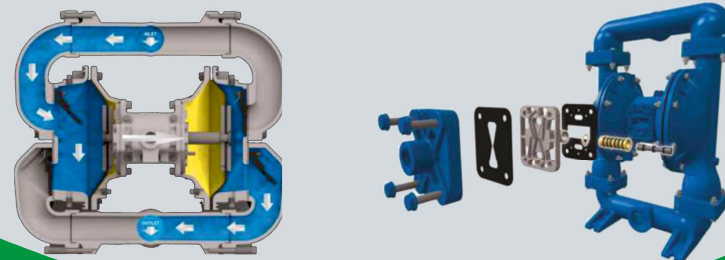

Product Range

SANDPIPER®
A WARREN RUPP PUMP BRAND

Featured Products

Heavy Duty Flap Valve Design

- Flap Check Valve: Allows for line size solids
- Bottom Discharge Porting
- ESAD+ Plus Air Valve: Externally serviceable Air Distribution System
- All Bolted Constructions
- Guaranteed Connecting rod
- Tested quality (100% wet tested)
- **Capacity:** Upto 988 LPM, **Pressure:** to 8.6 bar, **Viscosity:** 25,000 cst,
- **Max solid size:** Upto 3"
